

APIARY WORKSHOPS

**South Coast Research and Extension Center
7601 Irvine Blvd. Irvine, CA 92618**

Presented by the CAMBP OC Bee Team

When: Saturday January 20, April 20, July 13, and October 19, 2024

Time: 10 am-Noon

Cost: \$40.00 per person/date

(Registration limited – 10 per session)

Required: All registrants are required to bring their own personal protective gear - closed toe boots, bee suit/veil/hat, glove and water bottle. None will be available for use on site.

Learn strategies to successfully raise your honey bees in Southern CA. Each workshop will focus on a specific season using techniques and skills that you will be able to use in your own hives.

Topics:	Checking overwinter colonies	Managing for honey production
	Swarming & robbing prevention	Checking for diseases & queen health
	Preparing a split to requeen	Feeding Techniques
	Completing a hive inspection	Strategies to requeen
	Mite test load & control	Honey extraction technique
