<https://surveys.ucanr.edu/survey.cfm?surveynumber=41959>

**Location:** 7601 Irvine Blvd. Irvine, CA 92618

## Join us...

Explore the world of honey bees and their habitat with our Certified California Master Beekeeper Program (CAMBP) Instructors.

After this tour, participants will be able to:

- Explaining how to light a hive smoker.
- Describe a complete hive inspection.
- Identify eggs, larvae, and capped brood.
- Distinguish hive food sources.
- Identify the queen, worker, and drone.
